

# ***Our Driving Habits Destroy Habitats***

## **How your organization can use the vehicle decal and anti-idling article**

### **Individuals**

- Place the vehicle decal on your own vehicle to help communicate the anti-idling message to other motorists

### **Environmental Organizations and Groups**

- Sell the decal to members to raise awareness about the anti-idling issue and funds for your own environmental initiatives
- Print the article in your company's newsletter and/or post it on the website to further educate motorists about the anti-idling issue

### **Government Agencies**

- Give the decal away to staff or to the public at community booths to promote the anti-idling message
- Post the article on your website

### **Businesses and Corporations**

- Give the decal away to staff or to the public at community booths to promote the anti-idling message
- Post the article on your website

### **Schools**

- Use the anti-idling decal as a fundraiser to raise funds for school projects as well as increasing awareness about anti-idling issue to parents
- Print the article in your school newsletter and/or website to further drive home the anti-idling message

### **School Bus Companies**

- Place the anti-idling decal on school buses to communicate the anti-idling message
- Print the article in your newsletter and/or post it on your website

### **Rental Car Agencies**

- Place the decals on fleet vehicles to raise awareness about anti-idling issue

### **Students Unions and Environmental Clubs**

- Sell the vehicle decal to raise awareness about anti-idling issues as well as funds for your organization's activities and initiatives
- Print the article on your website to raise awareness about anti-idling issue

**Face the Future**  
*Because if we don't, who will?*
